

NUFRESH — HYGIENIC WET TISSUE

NuFresh Hygienic Wet Tissue is designed as a 'handy cup' and it is perfect for personal care use. Each cup is conveniently sized to fit snugly and securely in the cup holder of your vehicle, so you can easily grab a wet tissue while on-the-go! It will also sit nicely in your home and on your office table.

These gentle wipes now come in two mild & refreshing fragrance variants: Rose Bouquet and Green Tea; and contain special skin conditional ingredients such as aloe vera extracts. They are also formulated to be 99.9% anti-bacterial which kill germs and leave all surfaces hygienically clean. The wipes are soft and strong, alcohol-free and good for all-purpose.

Each NuFresh Hygienic Wet Tissue in 'Handy Cup' contains 40 moist cloths hygienically sealed to protect its quality. Refill packs are also available for easy changeover and re-usability. Have a safe trip with NuFresh Hygiene Wet Tissue Cup.

Private Label and Contract Manufacturing are also available.
