GENTLE ON YOUR LITTLE ONES, GENTLE ON THE ENVIRONMENT

At Champs, we believe in the power of gentle care in pampering your little ones. This premium range of Champs baby wipes are dermatologically tested, hypoallergenic, and ophthalmologist approved. They are free from alcohol, parabens, and fragrance. We prioritise the well-being of both parent and baby, ensuring that every wipe is a gesture of love and care.

 Start using **ECO-FRIENDLY** wet wipes and packaging for a better world!

Our plastic-free wipes packaged in fully recyclable plastic are a testament to our unwavering commitment to sustainability. The plastic wrapper is made of 100% PE (Polyethylene) and reseal label is from 100% PP (Polypropylene) which are recycle-ready. Additionally, we provide a reusable plastic lid that is compatible with various wet wipes packaging and can be used multiple times.

Try out our Reusable Plastic Lid to keep wet wipes moist and hygienic. It can be used for multiple-times!
