About Kleen-Pak

Established in 2003, Kleen-Pak has grown to become one of Southeast Asia's leading manufacturers of premium quality wet wipes and a specialist contract manufacturer of finished, shelf-ready wet wipe products. With years of expertise, we are able to advise on specifications, formulations and manufacture in accordance to our customers' requirement.

Some of our valued customers

Our wet wipes are manufactured using fully automated lines in an ISO 9001, ISO22716 and GMP certified facility.

We conduct regular quality inspection at various stages of our manufacturing process to bring you best quality wipes.
